

**We hereby confirm:**

To the best of our knowledge the Covestro products

**BAYDUR VP.PU 1498**

**DESMODUR 44 P 01**

do not intentionally contain substances listed by Candidate List of Substances of Very High Concern for Authorization in the attached table with threshold above 0.1% weight by weight and therefore these substances are not expected to be present above limit values.

The presence of analytically detectable traces, which have possibly been introduced via raw materials, auxiliaries and additives, cannot be excluded. Specific analyses to measure such traces have not always been performed on raw materials or final products.

*Product Safety & Regulatory Affairs*

---

The information contained herein is believed to be accurate as of the date of this document. If any of the above mentioned regulations change after the date of declaration, this information is no longer valid.

The manner in which you use our products, technical assistance and information (whether verbal, written or by way of production evaluations), including any suggested formulations and recommendations, are beyond our control. Therefore, it is imperative that you test our products to determine suitability for your processing and intended uses. Your analysis must at least include testing to determine suitability from a technical, health, safety, and environmental and regulatory standpoint. Such testing has not necessarily been done by Covestro, and Covestro has not obtained any approvals or licenses for a particular use or application of the product, unless explicitly stated otherwise.

Unless we otherwise agree in writing, all products are sold strictly pursuant to the terms of our standard conditions of sale which are available upon request.

All information and including technical assistance is given without warranty or guarantee and is subject to change without notice. It is expressly understood and agreed by you that you assume and hereby expressly release indemnify us and hold us harmless from all liability, in tort, contract or otherwise, incurred in connection with the use of our products, technical assistance, and information. Any statement or recommendation not contained herein is unauthorized and shall not bind us. Nothing herein shall be construed as a recommendation to use any product in conflict with any claim of any patent relative to any material or its use. No license is implied or in fact granted under the claims of any patent.

This information is exclusively for our customers and respective competent authorities. It is not intended for reproduction either in printed or electronic form (e.g. via internet) by others. Thus, neither partial nor full reproduction is allowed without written permission from Covestro.

### Candidate List of Substances of Very High Concern for Authorization

- Number of substances: 240
- last ECHA update: 23 Jan 2024

Note: Some substances may have a more detailed description on the ECHA website; see the original candidate list at <https://echa.europa.eu/web/guest/candidate-list-table>

| Substance Name                                                                                                                                                                     | EC Number | CAS Number  | Date of inclusion |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-------------|-------------------|
| Oligomerisation and alkylation reaction products of 2-phenylpropene and phenol                                                                                                     | 700-960-7 | -           | 23/01/2024        |
| Bumetrizole (UV-326)                                                                                                                                                               | 223-445-4 | 3896-11-5   | 23/01/2024        |
| 2-(dimethylamino)-2-[(4-methylphenyl)methyl]-1-[4-(morpholin-4-yl)phenyl]butan-1-one                                                                                               | 438-340-0 | 119344-86-4 | 23/01/2024        |
| 2-(2H-benzotriazol-2-yl)-4-(1,1,3,3-tetramethylbutyl)phenol (UV-329)                                                                                                               | 221-573-5 | 3147-75-9   | 23/01/2024        |
| 2,4,6-tri-tert-butylphenol                                                                                                                                                         | 211-989-5 | 732-26-3    | 23/01/2024        |
| diphenyl(2,4,6-trimethylbenzoyl)phosphine oxide                                                                                                                                    | 278-355-8 | 75980-60-8  | 14/06/2023        |
| bis(4-chlorophenyl) sulphone                                                                                                                                                       | 201-247-9 | 201-247-9   | 14/06/2023        |
| reaction mass of 2,2,3,3,5,5,6,6-octafluoro-4-(1,1,1,2,3,3,3-heptafluoropropan-2-yl)morpholine and 2,2,3,3,5,5,6,6-octafluoro-4-(heptafluoropropyl)morpholine                      | 473-390-7 | -           | 17/01/2023        |
| Perfluoroheptanoic acid and its salts                                                                                                                                              | -         | -           | 17/01/2023        |
| Melamine                                                                                                                                                                           | 203-615-4 | 108-78-1    | 17/01/2023        |
| Isobutyl 4-hydroxybenzoate                                                                                                                                                         | 224-208-8 | 4247-02-3   | 17/01/2023        |
| bis(2-ethylhexyl) tetrabromophthalate covering any of the individual isomers and/or combinations thereof                                                                           | -         | -           | 17/01/2023        |
| Barium diboron tetraoxide                                                                                                                                                          | 237-222-4 | 13701-59-2  | 17/01/2023        |
| 4,4'-sulphonyldiphenol                                                                                                                                                             | 201-250-5 | 80-09-1     | 17/01/2023        |
| 2,2',6,6'-tetrabromo-4,4'-isopropylidenediphenol                                                                                                                                   | 201-236-9 | 79-94-7     | 17/01/2023        |
| 1,1'-[ethane-1,2-diylbis(oxy)]bis[2,4,6-tribromobenzene]                                                                                                                           | 253-692-3 | 37853-59-1  | 17/01/2023        |
| N-(hydroxymethyl)acrylamide                                                                                                                                                        | 213-103-2 | 924-42-5    | 10/06/2022        |
| tris(2-methoxyethoxy)vinylsilane                                                                                                                                                   | 213-934-0 | 1067-53-4   | 17/01/2022        |
| S-(tricyclo(5.2.1.0' <sup>2</sup> .6)deca-3-en-8(or 9)-yl O-(isopropyl or isobutyl or 2-ethylhexyl) O-(isopropyl or isobutyl or 2-ethylhexyl) phosphorodithioate                   | 401-850-9 | 255881-94-8 | 17/01/2022        |
| 6,6'-di-tert-butyl-2,2'-methylenedi-p-cresol                                                                                                                                       | 204-327-1 | 119-47-1    | 17/01/2022        |
| (±)-1,7,7-trimethyl-3-[(4-methylphenyl)methylene]bicyclo[2.2.1]heptan-2-one covering any of the individual isomers and/or combinations thereof (4-MBC)                             | -         | -           | 17/01/2022        |
| Phenol, alkylation products (mainly in para position) with C12-rich branched alkyl chains from oligomerisation, covering any individual isomers and/or combinations thereof (PDDP) | -         | -           | 08/07/2021        |
| orthoboric acid, sodium salt                                                                                                                                                       | -         | -           | 08/07/2021        |
| Medium-chain chlorinated paraffins (MCCP)                                                                                                                                          | -         | -           | 08/07/2021        |

|                                                                                                                                                                                                            |           |                         |            |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-------------------------|------------|
| glutaral                                                                                                                                                                                                   | 203-856-5 | 111-30-8                | 08/07/2021 |
| 4,4'-(1-methylpropylidene)bisphenol                                                                                                                                                                        | 201-025-1 | 77-40-7                 | 08/07/2021 |
| 2-(4-tert-butylbenzyl)propionaldehyde and its individual stereoisomers                                                                                                                                     | -         | -                       | 08/07/2021 |
| 2,2-bis(bromomethyl)propane-1,3-diol (BMP); 2,2-dimethylpropan-1-ol, tribromo derivative/3-bromo-2,2-bis(bromomethyl)-1-propanol (TBNPA); 2,3-dibromo-1-propanol (2,3-DBPA)                                | -         | -                       | 08/07/2021 |
| 1,4-dioxane                                                                                                                                                                                                | 204-661-8 | 123-91-1                | 08/07/2021 |
| Dioctyltin dilaurate, stannane, dioctyl-, bis(coco acyloxy) derivs., and any other stannane, dioctyl-, bis(fatty acyloxy) derivs. wherein C12 is the predominant carbon number of the fatty acyloxy moiety | -         | -                       | 19.01.2021 |
| Bis(2-(2-methoxyethoxy)ethyl)ether                                                                                                                                                                         | 205-594-7 | 143-24-8                | 19.01.2021 |
| Dibutylbis(pentane-2,4-dionato-O,O')tin                                                                                                                                                                    | 245-152-0 | 22673-19-4              | 25.06.2020 |
| butyl 4-hydroxybenzoate                                                                                                                                                                                    | 202-318-7 | 94-26-8                 | 25.06.2020 |
